INJURED WORKERS ACTION FOR JUSTICE COMMUNITY ORGANIZING GROUP

Are you injured or became sick related to COVID-19 at your workplace?

Did your employer/ WSIB deny your injury? Do you want to know your rights?

Do you believe that the Workers Compensation system (Workplace Safety Insurance Board) should be changed?

Do you want to organize with people who understand what you're dealing with?

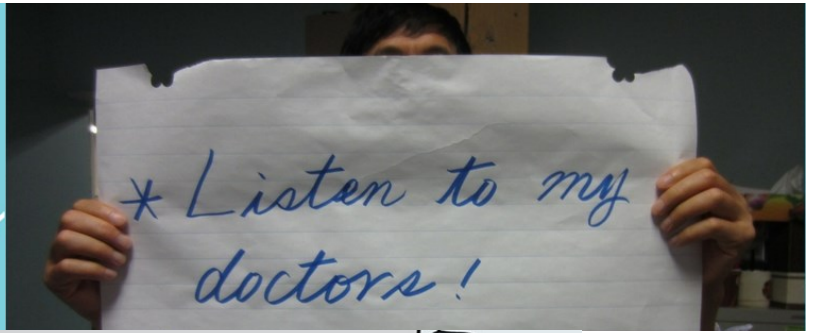

Injured Workers Action for Justice (IWA4J) is a diverse group of injured workers who have been fighting for fair compensation and respect from WSIB (Workplace & Safety Insurance Board) for all workers in Ontario since 2010. We work closely with the Community Legal Clinics and other like-minded community groups and organizations who understand the systemic issues and support our work.
